

The background of the slide is a deep blue color, overlaid with a complex, glowing pattern of light blue lines. These lines form a grid-like structure with various rectangular and circular shapes, resembling a circuit board or a digital network. The lines are not perfectly straight, giving it a dynamic, organic feel. In the center of the slide, there is a wide, horizontal white band. The title 'FRISC Projekt' is centered within this white band.

# ***FRISC Projekt***

# Upravljačka ploča

---

# ***Za sve...***

---

Svi zainteresirani mogu se uključiti u rad na:

- projektranju i ispitivanju novog procesora FRISC zasnovanog na RISC-V ISA
- High Performance Computing (ARM+RISC-V platforma)
